

University of Notre Dame

Notre Dame is a private Catholic University, extending from the West Coast of Australia in the beautiful and historic City of Fremantle, to the North-West town of Broome and across the continent to the heart of Sydney.

Problem

Like all institutions, The University of Notre Dame regards the safety and security of its students – on and off campus – to be of critical importance.

Solution

- Since 2007, Wilson Security has been proud to provide security services for UNDA's Fremantle Campus.
- Over the past 12 years, Wilson Security has demonstrated the ability to adequately serve the University during important events such as orientation days, graduation ceremonies and special events and any additional security services they require on request.
- Wilson Security provides regular foot patrols of the University buildings and grounds as well as day-to-day assistance to university staff, students and visitors to the campus.
- Wilson Security assists with emergencies and critical incidents occurring on campus, which includes everything from fire warden duties to traffic management, maintenance issues and anything within the Campus to prevent accidents.
- Wilson Security has been majorly involved in creating a safe environment, where staff and students can work and study safely.
