

# On Time Privacy Statement

## On Time Conditions of agreement:

I acknowledge and agree that, by downloading and using the Wilson: Ontime application:

- Wilson may collect data for employment-related purposes such as start and finish times, and location during a shift;
- Wilson may be required by law to store, access and use the employment-related information collected to comply with its legal obligations such as record keeping and work health and safety;
- Wilson will be able to communicate with me via this application for employment-related purposes; and
- I am responsible for the cost of any data used by this application.

Wilson respects your privacy and will not have access to information stored on your phone or share the employment-related information that it collects unless required by law or otherwise reasonably necessary for the purpose of administering and maintaining the application.
